Description:

TRUCK WASH is specifically designed for use on trucks, buses and heavy machinery to remove the most stubborn grease, road grime and insect build up with the minimum of manual effort.

TRUCK WASH is completely safe on all types of paint and aluminium surfaces.

DIRECTIONS FOR USE :

Product should be applied to the vehicle by a detergent dispensing pressure sprayer at the recommended dilution of 40 parts water to 1 part detergent.
A rich lather will result which should be allowed to cling to the surface for as long as possible before rinsing off under pressure.
Can also be applied by hand.
Thoroughly rinse after application of product.
