DESCRIPTION:

Xtreme is a high performance water based degreaser cleaner

- Especially formulated to remove heavy grease, dirt and grime from any badly soiled surface.
- Leave no residues, replacing flammable, solvent based products.
- Bio Degradable and odourless and can penetrate quickly into soiled areas, removing dirt and grease from metal, concrete and other hard surface situations.
- CAN BE USED :- in machinery workshops, on vehicle engines, in engineering plants, in garages, on concrete floors.
- Can be used prior to painting as it will remove chalkiness from deteriorated painted surfaces, leaving no residues so it can be painted over with no effect.
- Removes Tar, Road Grime, vegetable and Body oils and much more.

USES:

Product can be used neat or diluted depending on the surface to be cleaned and the degree of contamination of the soiled surface.

Solution is best applied by spray, mopping or brushing onto the surface to be cleaned.

Allow sufficient time for penetration.

Agitation will assist in heavily soiled conditions.

Wipe or rinse off cleaned areas for best results.
